The Board joined with Dickinson County telephonically to discuss the acceptance of private tile into joint drainage district ED#3 (Emmet and Dickinson Counties). After, discussion, it was decided that they will change the language in the Resolution, so this Resolution will be tabled until next Tuesday's Board meeting at 10:15 a.m. The language will change to reflect that the tile line that is going to be included within the joint drainage district only goes to the property line of New Fashion Pork's (NFP). The tile within NFP's property will remain their own private tile, which NFP will continue to maintain.

Bob Grems representing the Regional Wellness Center (RWC) and others from the RWC Board came before the Board with a funding request for the upcoming Splashpad & Playground project. Grems stated that the fundraising has been going well with EXCEL Estherville donating \$50,000 and the City of Estherville donating \$25,000. Schumacher informed the Board that he would take part in the discussion, but would not be voting as it could represent a conflict of interest. Slingers discussed their current situations with the Board. Present also was Emmet County Treasurer, Brenda Moore. Moore stated that the Board does have an option to suspend the payment of taxes though a Suspended Tax Program per Iowa Code, Chapters 427.8 and 427.9 and then reevaluate their situation at a time set by the Board. Moore stated that by suspending the taxes, there would be no accruing interest and the property would not go on tax sale in June. A motion was made by Hash, seconded by Glasnapp, to suspend the taxes and reevaluate again in July of this year. In July, Treasurer Moore would need to check and see if they still qualify. A roll call vote was taken: Ayes: Hash, Glasnapp and Pluth Nays: Quastad Abstaining, Schumacher. Motion carried. Pluth stated that this would only be a one-time deal for the Slingers.
